

Yanmar JH-CR Second Alternator Mounting Bracket Kit

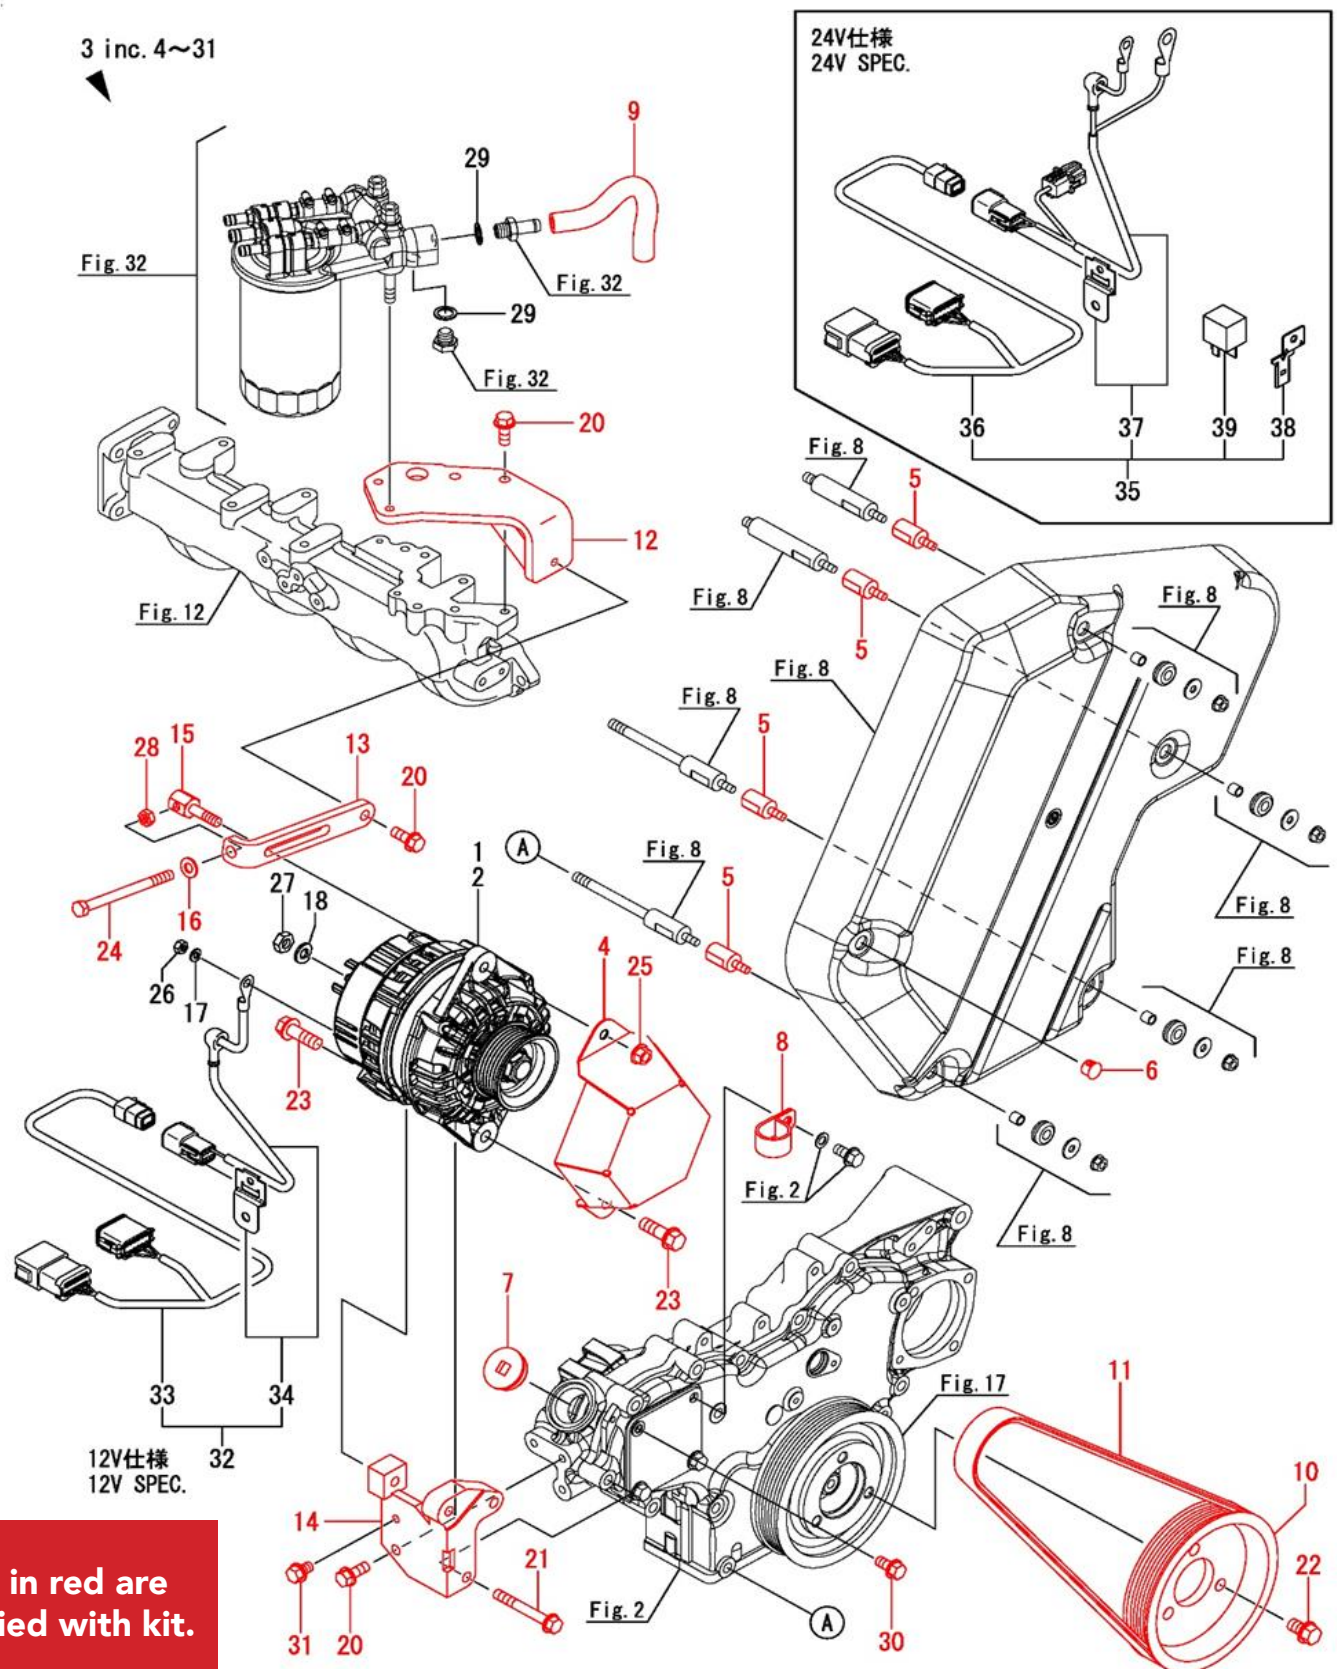

For the cruiser who requires optimum charging with their Yanmar JH-CR Series engines, we have produced this state of the art compact system that allows for dual alternator installation in most engine bays for a variety JH-CR Series engines. See below for specific engine models. This clever design allows you to run twin alternators to substantially reduce your charging time.

The kit is compatible with the following engines:

Yanmar: 3JH40, 4JH45, 4JH57, 4JH80, 4JH110

REF #	PART #	DESCRIPTION	QTY
7	ELE-119807-11770	Plug Filler	1
8	ELE-121575-49310	Retainer Pipe	1
11	ELE-128790-77580	Alternator Belt	1
10	ELE-129271-77251-12V	Crank Pulley 6PK – 12V	1
4	ELE-129677-09130	Cover Belt	1
5	ELE-129677-09510	Bolt Spacer L=25	4
6	ELE-129677-09600	Plug D 12.7 Hole	1
9	ELE-129677-59270	Fuel Return Hose	1
12	ELE-129677-77611	Filter Bracket	1
14	ELE-129677-77630	2 nd Bracket	1
29	ELE-23414-120000	Gasket 12 x 1.0	2
31	ELE-26106-080122	Bolt M8 x 12 Plated	1
30	ELE-26106-080162	Bolt M8 x 16 Plated	1
20	ELE-26106-080202	Bolt M8 x 20 Plated	2
21	ELE-26106-080602	Bolt M8 x 60 Plated	1
22	ELE-26106-100202	Bolt M10 x 20 Plated	3
23	ELE-26106-100302	Bolt M10 x 30 Plated	2
13	ELE-129677-77620	Belt Adjuster	1 tension arm
16	ELE-129677-080000	Washer 8	1 tension arm
15	ELE-129271-77641	Bolt Adjuster	1 tension arm
24	ELE-26116-081004	Bolt M8 x 100 Plated	1 tension arm
25	ELE-26366-080002	M8 Nut	1 tension arm
28	ELE-26756-080002	M8 Lock Nut	1 tension arm

Yanmar JH-CR Second Alternator Mounting Bracket Kit
